Anime is Satan

Hello everyone.. We are here to inform you that we were wrong.

We built this page to inform and educate others about our cause. There was just something about it that didn't make sense. With what's going on right now, fans of these "anime" have been ravaging about and sending the most furious kinds of hate speech towards our page. People have been hurt, people have been offended, people have shed tears. There had to be something wrong. Soon we have figured it out. We have been wrong this whole entire time. Anime is not Satan.

Satan is Anime.
